Dear Interested Parties:

**MEDI-CAL CLINICAL LABORATORY SERVICES REQUEST FOR APPLICATION
(RFA) 04-35199 ADMINISTRATIVE BULLETIN 1**

Administrative Bulletin 1, issued by the California Department of Health Services, Office of Medi-Cal Procurement (OMCP), announces the cancellation of the pre-application conference for Medi-Cal Clinical Laboratory Services (RFA# 04-35199) due to flight difficulties in Sacramento. The conference was scheduled for Thursday, April 15, 2004 at the Ronald Reagan State Building in Los Angeles. The conference has been rescheduled for Monday, April 26, 2004 from 10:30 a.m. to 12:30 p.m., also at the Ronald Reagan State Building in Los Angeles. This change does not effect the Northern California conference scheduled in Sacramento for April 19, 2004, as originally stated in the RFA.

The procurement schedule will be adjusted accordingly as a result of this delay. An addendum to the RFA will be issued shortly outlining the revised procurement schedule.

If you should have further questions, please contact Jesse Tanguileg, lead analyst assigned to this procurement, at (916) 255-6032.

Sincerely,

Donna Martinez, Chief
Office of Medi-Cal Procurement
